Weather permitting; the eastbound inside lanes on Tecumseh Rd. on both sides of Porter Ave. will be closed Monday, October 4, 2010 for approximately 4 days through Thursday October 7, 2010. The project was federally funded by the Oklahoma Department of Transportation (ODOT). ODOT's contractor Haskell Lemon is finalizing their repairs to the pavement at this intersection. Signs will be placed accordingly to direct the traveling public. Additional questions may be directed to the City of Norman Capital Projects Engineer, Lonnie Ferguson, at 366-5454.
